2011 was Brothers Pizza Express 31st year and we wanted to thank you for making it happen. Brothers Pizza Express is just what the name implies; the story of 4 brothers who immigrated to New York City back in 1968, they then made their way to Houston Texas to open one of the city's best Pizzerias in 1980. Each brother owns a different location, but each location shares the same famous recipes and ingredients that have made Brothers Pizza Express famous throughout Houston, which is still family owned and operated. We sincerely appreciate your continued support.
